NEW HARDWOOD FLOORING COLLECTION

Stands are available on request

Competitively priced

Easy fit angle lock system

25 Year domestic warranty

Sourced from FSC certified factory's using European & Scandinavian timbers

Elegance is a brand new collection of wood flooring that we are launching into the market place that consists of quality European and Scandinavian timbers. The launch will initially consist of a selection of 14mm engineered wide boards and 3 strip options. All are very competitively priced and are produced to the highest standards. We have already compiled a range of solid wood flooring to compliment the Elegance collection that we will be launching shortly.
